## Instructions

**Instructions for completing Form DPF-3 Revised 11/2014, "Disabled Persons and Family Support Program (DPFS) Service and Device Application – Self Assessment"**

Use: Form DPF-3 Revised 11/2014 is used as an application to determine eligibility for the Disabled Persons & Family Support Program benefits. Program staff will use the form to collect data needed to determine eligibility of individuals of all ages who meet income, disability, and need criteria for DPFS services. It also serves as a release of information when additional information is needed to determine program eligibility. This program is intended to provide minimal financial support to people with disabilities to maintain or obtain employment, maintain independence and prevent institutionalization. The state-funded Program does not operate as an entitlement and services are intended to supplement, but not reduce the responsibility for the services and supports available through other programs for which the family or person with a disability may be eligible such as Medicaid, Social Services Block Grant, Administration on Aging or other programs with Federal funding. DHHS Manual reference 472 NAC Chapter 1 through Chapter 4.

**Completion:** Program staff will use the data to determine eligibility. Incomplete information may delay eligibility determination. The application must be signed and dated by applicant or his/her authorized representative.

**Section 1: APPLICANT INFORMATION (Person with special needs or disability):** Enter the name, gender, date of birth, social security number, address, city, zip code, county, phone number, email address (indicate if contact via email is allowed), name of primary caregiver and indicate if primary caregiver lives with the applicant.
