PROVIDER RELEASE OF INFORMATION - FELONY MISDEMEANOR STATEMENT

Form MC-199 is used to obtain information to complete background checks which are required for approval as a provider.

This form is used to allow potential and renewing providers and/or their employees to self-disclose any current charges, pending indictments or any convictions they have had. Individual providers must complete the form every 12 months before their provider service agreement may be signed or renewed. For providers who provide the service in their home, each household member must also complete the form at the same time. Assisted Living providers must have each employee complete this form annually.

COMPLETION:

Section I: Check the appropriate boxes to indicate why the form is being completed and the type of individual completing the form. If the provider is an assisted living facility, enter the name and city of the facility, the position and date of hire of the individual employee who is completing the form.

Section II: Enter individual's name, other names used (including other married names, aliases, etc.), Social Security Number, date of birth and all addresses where he/she has previously resided.

Section III: List any record of current charge(s), pending indictment(s), or conviction(s) regarding misdemeanor or felony actions. This must include details, dates and disposition (e.g., parole, probation, incarceration, fine, community service, etc.). If person has no felonies or misdemeanors, write "none" in the "Offense" column.

Section IV: List all children through age 12 living in the home.

Section V: The form must be signed and dated by the individual. The parent/guardian must also sign and date the form if the individual is under 19, not emancipated, or if he/she has a legal guardian.
